

Aon's Student Accident Protection Plan – Gold Plus

This information relates to an insurance plan that the school has in place to provide financial benefits to students and their family in the event of accidental injury – 24 hours a day/seven days a week*.

Aon's Student Accident Protection Plan is an insurance arrangement that pays benefits for specific scenarios and incidents that may occur, such as quadriplegia and broken bones. It also offers additional benefits such as:

- covering a child's tuition for four terms in the event of their parent or guardian's accidental death,
- financial support for tutoring, should a student be absent from school for a prolonged period, and
- providing clothing, hospitalisation and other out-of-pocket expenses that relate to an accident.

This sheet outlines the benefits paid as a result of accidents that may occur, it tells you how to make a claim should your child be injured and provides some explanation around additional benefits you may be entitled to, as well as what is not covered.

Over and above providing a quality education, your school is protecting your child's quality of life.

Please be aware that this sheet is written expressly for parents and guardians of students enrolled and attending our school. Insurance policies are complex legal contracts and this information is only intended as a ready reference to parents. If you would like more information, the school can provide you with a copy of our policy or alternatively, give you the name of a person at Aon who you can call.

What is covered?

Essentially any accident resulting in the injuries set out below is covered.

Insured events	Payment (\$)	Insured events	Payment (\$)
SECTION 1		Ligament and organ damage

Are there exclusions?

Like all insurance contracts, this one has some exclusions. In summary, these are:

- war, civil war, invasion, insurrection, revolution, use of military power or usurpation of government or military power
- intentional use of military force to intercept, prevent, or mitigate any known or suspected terrorist act
- any terrorist act
- the student being a pilot or crew member of any aircraft, or engaging in any aerial activity except as a passenger in any properly licensed aircraft
- deliberately self-inflicted injury
- sexually transmitted disease, or Acquired Immune Deficiency Syndrome (A.I.D.S.) disease or Human Immunodeficiency Virus (H.I.V.) infection
- the student engaging in professional sport
- suicide
- pregnancy, childbirth or miscarriage

Should an accident occur, how do I make a claim?

While your first priority is your family, this Plan provides you the reassurance that other matters, such as the financial implications, are not an added burden. Should the need arise to make a claim you should:

- complete the School Student Accident Claim Form and have the school's principal or registrar complete the bottom section
- have a doctor complete the Medical Practitioner's Statement, then
- send both forms to the addresses shown on the forms.

Here is a [link](#) to these forms.

Should you have questions while the claim is being reviewed, your school can provide you a contact at Aon.

Aon is a leading provider of risk management services, insurance and reinsurance broking, financial planning and employee benefit and risk solutions. Aon professionals meet the diverse and varied needs of our clients through our industry knowledge, technical expertise and global resources.
