

# AON'S STUDENT ACCIDENT PROTECTION PLAN – GOLD PLUS

This information relates to an insurance plan that the school has in place to provide financial benefits to students and their family in the event of accidental injury. The cover is for 24 hours a day/seven days a week provided the student is engaged in school or organised sporting activities, including travel to and from such activities.

Aon's Student Accident Protection Plan is an insurance arrangement that pays benefits for specific scenarios and incidents that may occur, such as quadriplegia and broken bones. It also offers additional benefits such as:

- covering a child's tuition for four terms in the event of their parent or guardian's accidental death,
- financial support for tutoring, should a student be absent from school for a prolonged period, and
- providing clothing, hospitalisation and other out-of-pocket expenses that relate to an accident.

This sheet outlines the benefits paid as a result of accidents that may occur, it tells you how to make a claim should your child be injured and provides some explanation around additional benefits you may be entitled to, as well as what is not covered.

**Over and above providing a quality education, your school is protecting your child's quality of life.**
